

*Come walk with me  
Along the sea  
Where dusk sits on the land  
And search with me  
For shells are free,  
And treasures hide in the sand.*

Dear Guest,

Thank you for choosing to stay at Kangaroo Island Star. We aim to provide you with the ultimate in comfort and relaxation by the beach.

The sizzling sunsets and starry-night skies will take your breath away while sunrises over the shimmering bay are simply stunning. The beach house is set amongst native bush land. Kangaroos and other wildlife abound around you.

One of Australia's best beaches is but a short stroll down a small dune in front of the house.

Kangaroo Island Star is a beachfront home which sits on the glistening, magnificent sands of Island Beach, just a 12 minute drive from the ferry port of Penneshaw.

Enjoy spectacular and uninterrupted 180- degree elevated views of the crystal-clear turquoise waters of Eastern Cove, across to American River and Rocky Point from inside or lazing on the deck.

We hope you enjoy your stay.
